Attach your essay to the application.

- Recount an incident or time when you experienced failure. How did it affect you, and what lessons did you learn?
- Reflect on a time when you challenged a belief or idea. What prompted you to act? Would you make the same decision again?

\_\_\_\_\_

Manhattan College asks this question in order to fully consider the safety and security of the College community. If you answer "yes" to this question that does not mean you are automatically ineligible for consideration or an offer of admission. However, the College may contact you for further information and explanation. Regardless of your response to this question, the College will evaluate all applicants for admission holistically and fairly.
